ABOUT MKCDP

At the foot of Africa's towering Mt. Kilimanjaro, MKCDP is a lifeline for over 2,800 children and their families across Kajiado South. More than just a charitable organization, MKCDP is a thriving community force—built on the principles of care, empowerment, and resilience—spanning five wards and 27 zones. With deep roots in three major Sites—Mbirikani Child Care Centre, Kuku Plains Child Care Programme, and Naretoi Child Care Project—we are dedicated to creating sustainable change through child-focused development.

COVERAGE AREAS

Operating within the communities of **Kuku, Mbirikani/Eselenkei, Kimana, Rombo, and Entonet/Lenkisim**, we aim to transform lives by ensuring children receive not just education and healthcare but opportunities for a brighter future.
